Just a reminder that students in Dance Group on Monday or Tuesday need to order lunch or bring lunch from home. They do not have time to line up at the canteen and purchase food at lunch, recess however is fine. Dancers may also wear their sports uniform on their dance day (Monday or Tuesday). It is much more suitable for moving than their school dress.

SEASONS FOR GROWTH
The Term 3 session of Seasons for Growth will commence on the 30th July and will be facilitated by Ms Krisenthal and Ms Doosey. The Seasons for Growth Program runs for eight weeks and each weekly session is 40-50 minutes. The program concludes with a 'Celebration' session. Later in the year each group will have the opportunity to meet for two further sessions to build on their earlier learning. An overview of Seasons For Growth Change and loss are issues that affect all of us at some stage in our lives. At Glendore Public School we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons for Growth. The program focuses on issues such as self esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

If you think your child would benefit from Seasons for Growth we would encourage you to talk to him/her about this. Please fill in the tear-off section below and return to the school by 18th July 2014. The program is hosted in Stage groupings so may not be available to all children this year.

If you have any questions regarding the program please contact Ms Krisenthal or Ms Doosey.

CHILDREN WITH DIABETES
Researchers from the University of Queensland are conducting research into parenting of children with type 1 Diabetes. We are seeking parents of children and adolescents with type 1 diabetes to participate. Participation in this project will involve completing a survey, and a telephone interview.

The telephone interview includes questions on diabetes management tasks which parents of children with type 1 diabetes experience difficulty with, how parents think and feel about parenting a child with type 1 diabetes, and their preferences for assessing services to assist in dealing with these behaviours and tasks.

If you are interested in participating in this research or would like further information please email clin.roslyn.pay@uq.edu.au

STAGE 2 TOUCH FOOTBALL GALA DAY
A great day was had by all of the boys and girls who represented Glendore Public School on the last day of Term 2 in Newcastle. Led by Zali C, the girls won all four games. The boy’s team supported Oliver C-L valiantly, encountering strong opposition on occasion. The children were well behaved, focused and displayed excellent sportsmanship, until their legs could hardly hold them!

P&C NEWS
BOOK CLUB
Book Club order forms will be going home today and all orders are due back by Wednesday 30th July. The school receives points from every book club order. These points are used to purchase books for the library and classrooms. Last year the school received $1100 worth of free books and to date this year the school has received $600 worth of free books. Thank you to all of our families who have placed book club orders.

URGENT HELP REQUIRED IN THE CANTEEN
The Canteen is running very short on volunteers and again it looks like this service may have to be reduced if we can’t get people to help. If you are available please let Rachael or Tanya in the canteen know or leave a message with the office. It would be a shame to have to have the canteen open only a few days a week. Don’t forget that the P&C Meeting is happening tonight at 6pm in the staffroom so you are more than welcome to find out more then too.
